# DRESS REHEARSAL AT RDC - May 1

*(Come with costumes and hair done according to teachers instructions)*

## See the chart for your specific time

1. Check the rehearsal time chart. Look for your class, day/time and teacher.
2. Find the name of your part and if you are in show 1 or 2.
3. You will see the call time to be at the Rockford Dance Company ready to rehearse.
4. Remember there are two rehearsals for each show.

Show 1: May 1st and May 14th

Show 2: May 1st and May 15th

## HOW REHEARSALS WILL BE RUN

- \* Arrive at your check-in time listed in the first box of the schedule. The student should arrive in tights and leotard and hair done accordingly. **Pictures will be taken this day, Sat May 1st**, so hair and make-up needs to be done before arriving.
- \* When you arrive, check in at the table located in the lobby. You will also be able to purchase tickets, dvds, and ads. (ad orders will only be available on May 1)
- \* The child will be accompanied to a waiting room where they will change and wait for his or her call. If parents have any questions, there will be FLOOR SUPERVISORS or runners available.
- \* Parents are **not** allowed on the 2nd floor. There will be a designated waiting area on the first floor.
- \* If the student is in more than one dance, they will wait for their next call in the waiting area for each subsequent dance.
- \* Please have the picture order information filled out with a check before arriving. A separate photo order packet must be made for each class she/he is in that you want photos for. The order form should be given to the runner that comes to get your child for rehearsal.
- \* After Photos, students will be dismissed with their costume. It is now your responsibility to make sure students have their costume for the second rehearsal and performance. Please **Do Not** wear your costume at home until after the performance. We do not have replacements for lost or damaged costumes.

### Making This Easy - Be Prompt!

Fix hair and make-up at home according to teacher instructions.

Arrive dressed in your leotard & tights.

No drinking or eating is allowed in costumes, except water.

The Teacher will have each child's costume for the first rehearsal.

Leave your valuables at home.

Do not wear underwear under tights.

## Costumes

Costumes were paid for at the beginning of the Spring Semester with your tuition payment as part of your production fee. Students may be able to keep part or all of the costume, after the performance. Ask teacher for details. All costumes on loan from RDC will be returned to RDC through the class teacher.

## Photos

Photos will be taken immediately following your child's rehearsal time on May 1st. Please come to the rehearsal with hair and make-up done properly. The student will need to bring the order form and payment with them up to the rehearsal room. Parents are not allowed in photography studio.

## Frequently asked questions:

### How many performances are there and how many do we have to be in?

There are two performances. Each performance has a different cast (roles or parts in the production). A student that takes more than one dance form (i.e. ballet and modern) may be in both performances, or have more than one part in the same performance. There will be a room for quick changes and people assisting.

### Why are the rehearsals important?

Rehearsal on May 1st is our only time to put the story together, check costumes, and take group photos. The Rehearsals on May 14th & May 15th are the only times to set the lights and sound levels, and to allow students to practice on the stage.

### What is the "Final Bow"?

For the show rehearsals, at Boylan on May 14th, & 15th, students will go to their designated waiting room after their part and wait for the "Final Bow", the one and only bow. The time between the students dance and final bow may be spent at Boylan or the student may leave and return according to the teachers instructions.

### When do we come for rehearsals?

By looking for your child's class, class time, and teacher on the chart, you will find their rehearsal times for May 1st and then again for May 14th and May 15th. The dancers must be there at the Check-in time.

## **NO PARENTS ALLOWED IN THE THEATER DURING REHEARSALS**

To keep the rehearsal running as smoothly as possible and on schedule, no parents are allowed in the theater during rehearsals. We know that everyone will be very supportive in our endeavor to put on the best show possible. There is a large lobby where you can wait for your child, or shops and restaurants nearby.
